

# ROTO-TIGER®

# RT-2000

## For Pros!

The power ROUGHENING- and CLEANING floor surfacer

- Cleaning factory floors
- Roughening ramps, walks, loading docks
- Preparing surfaces for new coatings or toppings
- Cutting anti-slip grooves on roads, dairies, any concrete surfaces
- Grinding away asphalt, concrete bumps, uneven surfaces

RT-2000-EL  
RT-2000-B

## Features

- Robust welded steel construction
- Extensive range of tools
- Dependable performance
- Manoeuvrable light-weight design
- High-quality, low friction bearings step less depth control

The dust connection allows an almost dust free and environmental friendly operation.

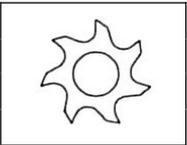

Quick changing of drums and cutters. No special skills required. Strong drums in special heat treated steel. For every task the best tool!

Unique Micro Depth Control for fine tuning depth of cutters. Built-in vacuum connection for an almost dust-free operation

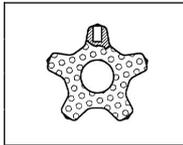

- Cleaning**                      Factory floors
- Roughening**                Ramps, walks, loading docks
- Preparing**                   Surfaces for new coatings
- Grinding away**             Asphalt, concrete bumps, uneven surfaces
- Cutting**                      Anti-slip grooves on roads, dairies, and concrete surfaces
- Removing**                   Traffic lines, old coatings, caked oil and grease, old carpet backing, asphalt tile or other build-up. Removing laitance, roof chippings. Removing rust, scale, mill scale
- Prepare**                      Swimming pools, tennis courts

### TMO-7.11 Peeling Cutter

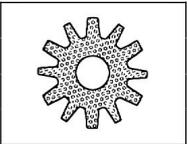

Full tungsten for removing thermoplastics on asphalt and concrete. Milling off surfaces based on thermoplastic.

### HMT-5.46 Milling Cutter

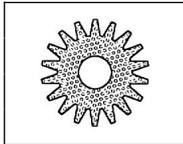

With 5 tungsten points for the very rough task. For milling concrete, scabbling and planning.

### STR-4 Steel Cutter

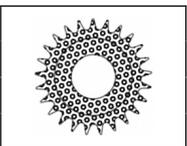

With heat-treated steel. For descaling, stripping off paint and grooving on light surfaces.

### ET-4 Star Cutter

For the very fine finishing of the surface. For general cleaning, derusting, stripping of grease and carpet adhesives.

### PTC-25.42 Multi-Teeth Cutter

Full tungsten for removing dirt, cement residues, soft coverings such as paint and glue.

### SPECIFICATION\*

	RT-2000-EL	RT-2000-B
Power	Electric Motors	Gasoline Engine
Voltage	2.2KW / 400V / 50HZ	5.5HP / 3.7KW
	1.85KW / 230V / 50HZ	
Working width of drum	200 mm (8")	200 mm (8")
Total weight	66 kg (137 lbs)	68 kg (141 lbs)
Total height	1180 mm (47")	1180 mm (47")
Overall width	440 mm (15")	440 mm (15")
Overall length	1108 mm (44")	1108 mm (44")
