

BS-450

FLOOR GRINDER/POLISHER with 3 Counter-Rotating tool heads

Powerful, compact, and „brilliant“ performance

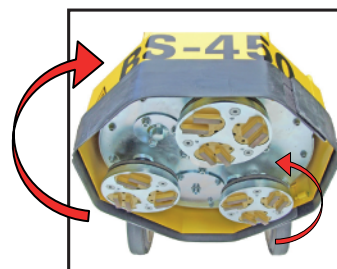

Removing Floor levelling

of coatings/adhesives, glue, paint
flattening irregular concrete surfaces

Grinding & Polishing

of concrete floors, industrial surfaces,
stone, terrazzo

Working width:	450 mm (18")
Weight:	116 Kg / 255 lbs (incl. Tools)
Power:	2,2 KW, 1 x 230 V, 12.9 A 2,2 KW, 3 x 400 V, 4.6 A
Speed:	1430 RPM
Dimensions (LxBxH):	1003 x 450 x 980mm
Option:	Speed regulation 2.2 KW, 1x230 V, 13.4 A

Planetary three heads technology

For great performance,
smooth operation

Wide range of Grinding- and
Polishing Diamond Tools available

- » Compact Robust Steel Design
- » Easy coupling to industrial dust Collection Systems
- » Simple, economical and environmentally friendly
- » Removeable sideplate to get to the exact edge of the wall
- » For dry and wet applications
- » Unique Hex-Form-Body-Design, no problem with doors or corners
- MOD.INT.DEP.**
- » EASY-CLICK® Quick Tool Change System

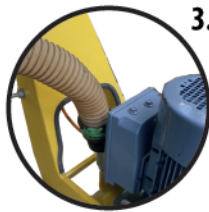

BS-450 THE PROVEN AND PERFORMING

Planetary 3 Heads Technology

Meeting your requirements, delivering „brilliant“ results

1. » Adjustable handle in height, with antivibration rubber-grips

3. » Vacuum port for industrial dust collector, reducing dust production and giving longer life to Diamond-Segments

2. » Enhanced operator safety-control ON-OFF Switch and safety Key with cord

4. » Sealed bearings for wet projects, easy operation thanks to robust rubber wheels.

Exposing Aggregates,
Grinding of Concrete Surfaces

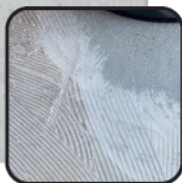

Polishing/Cleaning application

Light grinding of wooden floors,
parquets and panels

Tool plates, vibration dampened, fitted with tools.

Minimum of heat generation / no markings. Ergonomic balanced construction to reduce operator fatigue

Cleaning and Repolishing
Surfaces like Terrazzo and Marble

Sanding Pads
for finishing wooden Floors

Easy Transportation due to modular construction
Easy disassembling and lifting

Airtec „Easy Click“ Tool System
For quick change on job sites

Performance to Walls and Edges
For details on tools ask for separate descriptive leaflet

3X
more powerful
with Speedregulation

AIRTEC-“VISTA-FLOOR”

The Grinding- and Polishing Technology for best and efficient performance and quality
